NO hidden costs

90 Countries
share 5 GB

40 Countries
Unlimited Data

130 supported
Countries

17h battery
usage nonstop

330+ Carriers
supported

Connect up to
10 WiFi devices

• **PROFESSIONAL Edition**
Shiny chrom version, with black lamb leather.

• **No more running for Local SIM-Card**

At power-on, the TARKAN Mobile WiFi router detects automatically the best supported GSM carrier of the country where you are located. It registers and provides mobile internet access to you at local cost, eliminating Roaming charges.

• **Secure and Safe**

TARKAN connects you, without the need to use insecure hotspots and bypasses most silly internet restrictions, to help to you to use your Apps like at home.

• **International Travelers**

TARKAN Mobile WIFI is perfectly suited for the Business traveler, who wants to use TARKAN also at home and replace his internet connection at home with our Flat Rate.

Technical specification - Order#: TARKAN-E
