TARKAN STANDARD GLOBAL Internet Personal WiFi Hotspot

- **No more exploding Costs.**
- **No SIM-card required.**
- **No use of insecure hotspots.**

• **STANDARD Edition**

Solid stainless steel with red composite leather.

• **No more running for Local SIM-Card**

At power-on, the TARKAN Mobile WiFi router detects automatically the best supported GSM carrier of the country where you are located. It registers and provides mobile internet access to you at local cost, eliminating Roaming charges.

• **Secure and Safe**

TARKAN connects you without the need to use insecure hotspots.

• **International Travelers**

TARKAN Standard is perfectly suited to connect you, while you travel.
